

Why do Americans desperately need to **Heed the Pilgrims** today?

- Did you know the members of the Plymouth Colony—the Pilgrims—tried living under socialism for two years?
- Do you know what kinds of problems the communal system created for them, what they did to address those challenges, and what they might say about that two-year period?
- Do you know the one quality that, when sincerely exercised and applied, will prevent and cure both victimhood and guilt—and racism as well?
- Can you name one of the most lethal enemies of Marxist ideologies, including socialism and critical race theory?

Heed the Pilgrims on Socialism and Critical Race Theory addresses the issues raised by these questions. In doing so, it relates the truth about “Events of 400 Years Ago That Provide Needed Insights for Americans Today.” Let the Pilgrims share their insights with you, and you’ll see why Americans today—including you—urgently need to heed their wisdom and timeless example.

The lessons of forgiveness, gratitude, humility, and love for our fellow man addressed here will be valuable as we celebrate Thanksgiving and teach our kids life truths founded on God’s Word.—**Mark Hayman**, Kid’s Pastor, First Baptist Church, Hendersonville, Tennessee

Heartily recommended.—**E. Ray Moore**, Th.M., Chaplain (Lt.Col.) USAR Ret founder and director of the Exodus Mandate—exodusmandate.org

Heed the Pilgrims is timely, powerful, and filled with the truth of God’s Word to help us navigate some of the most popular, but disastrous ideologies of our day.—**Dr. Josh Mulvihill**, Executive Director of Church and Family Ministry, Renewanation.org

B. Nathaniel Sullivan grew up in North Carolina. He is a graduate of Wingate University and holds two master’s degrees from Southwestern Baptist Theological Seminary in Fort Worth, Texas. Nathaniel served as an editor at a major Bible study curriculum publisher for more than seventeen years. He is a writer, editor, and blogger. He writes regularly about cultural issues from a biblical perspective and designs and posts articles and original Bible studies at his websites, wordfoundations.com and discoverbedrocktruth.org. He and his wife and family currently reside in Tennessee. *Heed the Pilgrims* is Nathaniel’s first published book.
