

Assignments

Before Session 5:

1. Read and study Romans 1:18-32 and 1 Corinthians 6:9-11.¹
2. Read this brief article² as well. You can access it by going to <https://wordfoundations.com/abouthomosexuality/>
3. Finally, read one more article. You can link to it from the Word Foundations website. It is listed in the same menu with the titles of the other articles participants read, just above them. The title of the article is "Recapture the Spirit of '76."³
4. This week, read often these words from Alexander Hamilton:

The fundamental source of all your errors, sophisms, and false reasoning, is a total ignorance of the natural rights of mankind. Were you once to become acquainted with these, you could never entertain a thought, that all men are not, by nature, entitled to a parity of privileges. You would be convinced, that natural liberty is a gift of the beneficent Creator, to the whole human race; and that civil liberty is founded in that; and cannot be wrested from any people, without the most manifest violation of justice.⁴
